

# Goblin, Hans & Ballerina

## Light Requirements:

### PLEASE NOTE:

The canvas is a thin screen of transparent plastic. To avoid eventual reflections of the front lights, which might dazzle the audience, the position of the spots has to be fixed in regard to the respective angle of incidence on the canvas.

	PC 1200 W with shutters
	Profiler 1000 W
143 164	LEE-Filtres
